

Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Saturday 28 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Dry with some sunshine today, far northwest cloudy.

Today:

Overnight mist and low cloud dispersing across most of the mainland to leave a dry, sunny and warm day. Far northwest seeing some low cloud and occasional drizzle, this extending to the Northern Isles.

Tonight:

Mostly dry this evening, some late brightness. Cloud in the far north and northwest extending south and west through the night. A little drizzle in the far north, dry elsewhere.

Sunday:

Cloudy start in many areas. The west will be dry with some warm sunshine by afternoon, the east is likely to stay rather cool and cloudy.

Outlook for Monday to Wednesday:

Staying mainly dry and settled with the best of the sunshine in the west. East and far north rather cloudy at times.
